

# CERTIFICATE OF SECURE APPLICATION

---

07-06-2019

**DATE CERTIFIED**

07-05-2020

**VALID UNTIL**

## THIS CERTIFIES THAT

ASSET(S) OWNED BY ZINGTREE LLC HAS BEEN TESTED AND FOUND TO MEET OR EXCEED THE BREACHLOCK CERTIFICATION CRITERIA. DURING TESTING, THE APPLICATION HAS BEEN SUBJECTED TO LOGICAL AND TECHNICAL APPLICATION SECURITY ATTACKS AND FOUND TO BE RESILIENT.

The Certificate does not certify that the concerned client product is completely secure or free from all security vulnerabilities/holes and that there will not be any security breaches concerning any such certified client product. This certificate merely evidences that such client product has passed various universally recognized security checks, which are applied by BreachLock during the program. The application will also be scanned daily using BreachLock cloud platform for commonly known threats.

## ORGANIZATION ASSETS TESTED BY BREACHLOCK ARE:
